

Company Profile

Company Overview

Sojitra Industries is a precision manufacturing company specializing in high-quality **brass, stainless steel (SS), and aluminum** components. With a strong focus on **accuracy, consistency, and customer satisfaction**, we serve a wide range of industrial applications across domestic and international markets.

Who We Are

Founded with a commitment to engineering excellence, **Sojitra Industries** combines modern manufacturing practices with **skilled workmanship**. Our **in-house production** capabilities enable us to deliver reliable components that meet international standards and specific customer requirements.

Our Products

We manufacture a comprehensive range of precision components, including but not limited to:

- Brass Components & Fittings
- Stainless Steel (SS) Precision Parts
- Aluminum Machined Components
- Custom Turned & CNC Machined Parts
- Industrial & Engineering Components

Materials: Brass, Stainless Steel (SS 304 / 316), Aluminum, and other alloys as per customer specifications.

Industries We Serve

- Electrical & Electronics
 - Plumbing & Sanitary
 - Automotive & Engineering
 - Industrial Machinery
 - Metering & Valve Industries
-

Manufacturing Capabilities

- CNC Turning & Machining
- Precision Threading & Drilling
- High-Volume Production
- Custom Component Development
- Strict Quality Control & Inspection

Our manufacturing unit is equipped with modern machinery to ensure consistent quality, tight tolerances, and timely delivery.

Quality Assurance

Quality is at the core of everything we do. Each product undergoes stringent inspection procedures to ensure compliance with customer drawings, specifications, and applicable standards.

Why Choose Us

- Experienced Manufacturing Team
 - High Precision & Consistent Quality
 - Competitive Pricing
 - On-Time Delivery
 - Customization as per Client Requirements
 - Reliable After-Sales Support
-

Our Mission

To deliver precision-engineered components that add value to our customers' products through **quality, reliability, and continuous improvement.**

Our Vision

To become a trusted global supplier of precision metal components by maintaining high standards of **quality, innovation, and customer satisfaction.**
